Appendix II.

(*Vide* answer to starred question No. 80 on page 31.)

(*a*) and (*b*).—There is no separate tariff intended for supply of power to panchayats only. Tariff II under Part II (low tension supply) is applicable for supply of L. T. power to the panchayats for street-lighting purposes. The rate at which the panchayats are charged for electricity supplied to them are as detailed below. These rates are in force from 1st October 1959.

Public Lighting:—(i) Metered basis—

First 16,000 units per month—16 naye Paise per unit.

All in excess—13 naye Paise per unit.

Installation of street-light, fixtures, etc., and lamp renewals provided by the Board.

Minimum consumption of 1,000 units per month must be guaranteed.

(ii) All-in-rates including fixtures and lamp renewals—

Each lamp of 40 watts at Rs. 2·00 per month.

Each lamp of 60 watts at Rs. 3·00 per month.

Each lamp of 100 watts at Rs. 4·00 per month.

For lamps of higher wattages, proportionate charges based on the rate for 100 watts lamps shall be paid.
